**WHO KNEW?! 🧑‍🎓**

"Keziah" is a woman in the Hebrew Bible. She was the second of the three daughters born to Job after his sufferings (Job 42:14).

I want to retire in Napa Valley, while owning and operating a bed & breakfast called *Lucille & Roy*.

I want to spend an entire season eating my way through Italy & Spain...for free (wishful thinking?).

As a child, I was the voice of the *American Girl Doll*, "Addy Walker," in several audio book series. I was also honored to be cast as *Madison Ballet's* first-ever Black "Clara" in their annual production of *The Nutcracker*.

**MY ETHOS**

*"Life is service. The one who progresses is the one who gives his fellow man a little more, a little better service."*  
 —E.M. Statler

*"A life is not important except in the impact it has on other lives."*  
 —Jackie Robinson
